## **STATEMENT OF COMPLIANCE**

New England IRB (NEIRB) operates under all applicable federal and state regulations, including Food and Drug Administration (FDA) and the Office of Human Research Protection (OHRP) guidance. NEIRB abides by the International Committee on Harmonisation (ICH) Guidelines and Good Clinical Practice (GCP) guidelines. In compliance with such procedures, laws and regulations, IRB members do not participate in the review and voting process for studies in which they participate. NEIRB consists of members of the clinical and scientific communities, non-scientists, as well as members of the community as required by Federal regulations to assure a fair and thorough review process.

NEIRB membership duly meets the requirements mandated by Federal regulation. A roster of NEIRB membership can be obtained via our website, [www.neirb.com](http://www.neirb.com), or by contacting NEIRB at 617-243-3924.

The New England Institutional Review Board organization is registered with the Office for Human Research Protections (OHRP) and the Food and Drug Administration (FDA) under registration number IORG0000444. NEIRB's individual IRB registration numbers are IRB00000755 [Thursday Board (formerly Board A)], and IRB 00005806 [Tuesday Board; (formerly Board C)].

The Privacy Officer at each covered entity is responsible for ensuring that the Authorization complies with the requirements of the Privacy Rule.
